

## PROVIDER AGREEMENT

The CareCola Directory is a network of like-minded therapists and mental health professionals who seek to honor God as they encourage, empower, and support one another in service to their clients and community.

**All members of the Directory must affirm the following:**

- As a believer in Christ Jesus, I conduct myself professionally and personally in submission to the authority of scripture.
- I am a regular attender in good standing at a local church.
- I am a member in good standing with the ACA, AACC, or CAPS (or another similar professional organization) and I uphold their code of ethics.
- I understand that CareCola reserves the right to evaluate my adherence to these terms of membership.

**In addition to the terms above, Licensed Providers also affirm the following:**

- I am in good standing as a provider licensed to work in the state of South Carolina.
- I maintain professional malpractice and liability insurance.
